Life at First Event

We're one of the UK's leading event companies, and have been for the last 20 years. But no matter how long we've been around, one thing that never gets old is our deep-rooted passion for creating jaw-dropping events all around the world.

First Event is only as good as the people who work here, and you won't find another workplace culture like ours. Whilst a clear strategy is important to the growth of our business, it means nothing without the people that make the magic happen. We are firm believers that our success depends on our people, so we want every single person in the First Event Fam to love what they do and to be proud of the events they create.

That's why in 2021 we decided to become an employee-owned company. This decision not only secured our strong ethos, creative freedom and core values, but also cemented the future independence of our team. Our employee council, made up of members across each department, work closely with our management team to create a fun and encouraging environment that allows us all to flourish and thrive. And did we also mention that we are one of The Sunday Times' Best Places to Work?

So, you want to work for us? Good choice. We quite like it here too. We promise you a warm welcome and some pretty cool perks along the way!
